

The background is a dark navy blue. In the top-left corner, there are two overlapping geometric shapes: a blue parallelogram and a light green parallelogram. In the bottom-left, there is a circular inset showing a detailed, grayscale image of a circuit board. In the top-right corner, there is a grayscale image of a complex, multi-layered circuit board pattern.

Software Demonstration

Interesting fact:

- Tracking the maternal lineage of monarchs in Europe shows that a large number are related maternally.
- Many of the great European rules
 - Such as Queen Victoria of England, Kaiser Wilhelm II of Germany, King Louis XIV
 - As well as a number of Holy Roman Emperors/Empresses
- The rulers from this maternal dynasty also reigned through the highest points in their countries
- The lineage can be tracked from before 1209 to current monarchs from Sweden, Spain, and the Prince-Consort of the U.K.
